Dear Parents and Guardians,

Welcome back! We look forward to providing your transportation this year. Our goal is to provide a safe and efficient bus ride to/from the schools.

Parents should be reminded that any times posted are "estimated guidelines" generated by the software. They are intended to give parents an approximate idea of pick-up times. The times will evolve throughout the first several weeks of the school year as parents and bus drivers become more familiar with both the students and the routes. Obviously, inclement weather or traffic detours will also impact routes at certain times of the school year.

Please plan to be out for the bus at least 10 minutes early and expect changes in the first month of school. Bus assignments, drivers, stops, times are all subject to change as we try to best manage transportation to schools. Parents should be prepared for updates to routes to be published through the end of September. We understand that everyone needs to have confidence in the timing of their student's departure every morning. Experience has shown us that the first 7-10 days of school are the most uneven and frustrating. Once the timing of everyone improves, the consistency of the routes stabilize. Your patience and understanding is appreciated as we manage the routes throughout the year. It is the parent's responsibility to get student safely to and from the bus. Bus stops can be up to 1/2 mile from your house. If needed, please cross the street with your students to and from the bus.

Due to the large volume of calls that our office receives each day, parent's inquiries about bus routes and/or stops should be directed via email to the transportation coordinator Cindy Crowley at crowleyc@westboroughk12.org. Every effort will be made to address these requests. We will get back to you as soon as we can. (usually within 24 hrs.)

Parents should not contact First Student regarding changes to bus routes or bus stops. If parents do, they will be directed back to the Transportation Coordinator at the School Department at 508-836-7702 ext.5.

Together, the process of transportation is successful for your family. We look forward to working with you. Again, welcome back to the upcoming year.
