

Fales Parent Group Agenda

December 9, 2019, 7:00pm

Welcome: - 4 in attendance, FPG Board Member Mary Johnston, Kathy Duggan, Principal, Maryann Stannard,

Welcome: Thank you for joining us tonight. We only have a few items on our agenda so it will be a short meeting.

Committee Reports:

Social Committee: Bowling event coming up in January. Tickets will be on sale in advance and you will need a ticket to bowl. No walk ins allowed.

Family Fun Day: Jill Forbes has been working so hard to secure sponsors for our Fun Run. She has been very successful so far and has received enough donations to have customized T-shirts made for all children for the fun run. We will be having an open house on Thursday Oct 23rd at Fales for families to come and learn about the fun run and interact with our sponsors. They will have food, give aways and prizes. A great way to kick the fun run off and get the whole family excited and involved.

Ways and Means: Kathy Duggan, 2 ways and means requests

- 1) Mrs. Stannard is requesting \$500 to purchase bean bag chairs for each classroom to offer flexible seating to students when learning or taking breaks. The chairs cost more but they are asking FPG to contribute. Voted and passed
- 2) Mrs. Catarius is \$221 to purchase a hedgehog costume and two hedgehog hats to be used at various school wide events and school meetings. Voted and approved

Principal Report: Mrs. Stannard, everyone is getting excited for the holidays coming up. An update on the building project was given. Tentative timeline to expect to see things happening is when kids come back from February break. Some fencing will be put up and they will begin what work they can given the weather.
