Celebrate and Appreciate Remarkable Educators

Westborough Education Foundation's CARE Program

As the end of the school year approaches, do you want to show your appreciation for your child's teachers, principal and staff members while making a difference in our schools?

As a meaningful year end gift, individuals, groups or classes can make a tax-deductible donation to the **Westborough Education Foundation** in appreciation of these wonderful teachers. Your child's teacher will receive a CARE Award certificate acknowledging your gift. A notification of receipt will be sent to each contributor for tax purposes. WEF is a 501(c)(3) organization.

The Westborough Education Foundation's primary goal is to raise funds to provide innovative educational programs for Westborough students that are outside the realm of the normal school budget. All teachers are eligible to participate in the grant program, and the benefits of these grants reach children of all grade levels. **In 2017-18, WEF awarded over \$21,000 in grants to Westborough teachers for innovative programs and has given over \$350,000 to Westborough schools since its inception.** Check out the WEF website for more information on what we do and grants awarded.
